[Including cost estimate of the Congressional Budget Office]

The Committee on Transportation and Infrastructure, to whom was referred the bill (H.R. 3598) to designate the Federal building located at 700 East San Antonio Street in El Paso, Texas, as the “Richard C. White Federal Building”, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

#### BACKGROUND

Richard C. White was a native-born Texan from El Paso. He attended Texas Western College from 1940 to 1942, and graduated from the University of Texas at El Paso in 1946. In 1949, he went on to receive his law degree from the same university at the Austin campus. Congressman White also served in World War II with the U.S. Marine Corps in the Pacific theater from 1942 to 1945, as a rifleman and Japanese language interpreter. He earned a Purple Heart.

In 1955, Congressman White was elected to the Texas State House of Representatives, where he served until 1958. From 1963 to 1965, Congressman White served as El Paso County Democratic Chairman. In 1965, Congressman White was elected to his first of nine successive terms in Congress, representing the 16th District of Texas in the U.S. House of Representatives. As a Member, he served on the Committees on Armed Services, Interior and Insular Affairs, Post Office and Civil Service, and Science and Technology. In 1983, Congressman White returned to El Paso, choosing not to run for reelection, to resume his legal career and serve as a civic leader.

Congressman White ably represented the people of the 16th District, and was widely respected for his work and integrity. This is a fitting tribute to a dedicated public servant.

U.S. CONGRESS,  
CONGRESSIONAL BUDGET OFFICE,  
*Washington, DC, July 24, 1998.*

Hon. BUD SHUSTER,  
*Chairman, Committee on Transportation and Infrastructure, House  
of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has reviewed the following bills, which were ordered reported by the House Committee on Transportation and Infrastructure on July 23, 1998. CBO estimates that their enactment would have no significant impact on the federal budget and would not affect direct spending or receipts; therefore, pay-as-you-go procedures would not apply. The bills contain no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments. The bills reviewed are:

H.R. 3482, a bill to designate the federal building located at 11000 Wilshire Boulevard in Los Angeles, California, as the "Abraham Lincoln Federal Building;"

H.R. 3598, a bill to designate the federal building located at 700 East San Antonio Street in El Paso, Texas, as the "Richard C. White Federal Building;" and

S. 2032, an act to designate the federal building located at 709 West 9th Street in Juneau, Alaska, as the "Hurff A. Saunders Federal Building."

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is John R. Righter. This estimate was approved by Robert A. Sunshine, Deputy Assistant Director for Budget Analysis.

Sincerely,

JUNE E. O'NEILL, *Director.*
